Gifts to School Personnel

Gifts from Suppliers and/or Contractors

The members of the Board of Education and its employees wish to avoid any conflict between their personal interests and the interests of the school district in dealing with suppliers, contractors and all organizations or individuals doing or seeking to do business with the school district.

No Board member or employee shall directly or indirectly solicit any gift; or accept or receive any gift having a value of one hundred dollars (\$100) or more, whether in the form of money, services, loan, travel, entertainment, hospitality, thing or promise, or any other form, under circumstances in which it could be reasonably inferred that the gift was intended to influence the Board member or employee in the performance of his/her official duties or was intended as a reward for any official action on his/her part.
