

Community Relations

Senior Citizens' Benefits

Senior citizens of the district, persons 65 years of age or older, may be given a "Golden Age Guest Pass" which will permit them to attend all home activities of the schools, including athletic events, free of charge.

These passes shall represent a small token of appreciation from the Board for all that the district's senior citizens have done for the schools over the years.

Policy adopted: March 20, 2007
