Homeless Students

Children who meet the Federal definition of “homeless” will be provided a free and appropriate public education in the same manner as all other students of the District and will not be stigmatized or segregated on the basis of their status as homeless. No homeless student will be denied enrollment based on lack of proof of residency or due to barriers such as fines, fees and absences. No Board policy, administrative regulations, or practice will be interpreted or applied in such a way as to inhibit the enrollment, attendance, or school success of homeless children.

Homeless students will be provided services comparable to other students in the District in compliance with federal and state law. Access to District programs include public preschool programs administered by the District.

Any homeless child or youth denied school accommodations shall continue in attendance or be immediately enrolled in the school selected by the child in the school district. The homeless child or youth or the parent/guardian of such homeless individual shall be provided with a written explanation of the reasons for the denial of accommodations in a manner and form understandable to such homeless child or youth or parent/guardian. Information shall also be provided regarding the right to appeal the decision of the denial of accommodations. The homeless child or youth shall be entitled to continue in attendance in the school district during all available appeals.

In addition, if a homeless child or youth is denied school accommodations, such homeless child or youth shall be entitled to a hearing conducted pursuant to C.G.S. 10-186.

The Superintendent will appoint a Liaison for Homeless Children who will perform the duties as assigned by the Superintendent and detailed in the administrative regulation accompanying this policy. Additionally, the Liaison will coordinate and collaborate with the State Coordinator for the Education of Homeless Children and Youth as well as with community and school personnel responsible for the provision of education and related services to homeless children and youths.
