### Student Safety

The Board shall establish an advisory committee to review specific policies, regulation, plans and procedures in order to ensure a comprehensive and effective program to increase student and staff awareness of safety and health issues and to review emergency response procedures at each school in the district. Members of the safety committee shall include a Board member, the Superintendent of Schools or his/her designee, appropriate school personnel, a high school student, parents, law enforcement personnel, first responders and other community representatives. All members shall be appointed by the Board.
