

DISTANCE LEARNING RUBRIC

	N/A	1	2	3
Attendance/Participation	<ul style="list-style-type: none"> <li>• Student and/or guardian has been unreachable and there has been no contact via phone, text or other available technology</li> <li>• No evidence of work completion either online or on paper, so there is insufficient data to assess this area at this time</li> </ul>	<ul style="list-style-type: none"> <li>• Student has joined class for 18 days (40%) or fewer during distance learning time</li> <li>• Less than 50% of assigned work has been accessed and/or attempted.</li> <li>• Student participation is sporadic, and is often unproductive.</li> <li>• Student has logged less than 50% of the required time on core and intervention programs (Lexia, Think Central, Wonders, etc.) as assigned.</li> <li>• Student has paper packets of work, and has shown limited evidence of completion.</li> </ul>	<ul style="list-style-type: none"> <li>• Student has joined class activities for at least 19 days (more than 40%) of distance learning time</li> <li>• Most work has been attempted, and 50-80% has been completed accurately.</li> <li>• Student is present in class meetings, but participation is not consistent.</li> <li>• Student has logged between 50% and 80% of time on core and intervention programs as assigned.</li> <li>• Student has paper packets of work, and has shown some evidence of work completion.</li> </ul>	<ul style="list-style-type: none"> <li>• Student has joined class activities for at least 37 days (80%) of distance learning time</li> <li>• All assigned work has been attempted, and at least 80% has been completed accurately.</li> <li>• Student has actively participated in online class meetings</li> <li>• Student has logged 80% of time on core and intervention programs as assigned.</li> <li>• In lieu of technology, student has provided ongoing evidence of work completion by other means (phone, screenshots, etc.)</li> </ul>

## DISTANCE LEARNING RUBRIC

Attendance/Participation is calculated based on a start date of 3/30/2020 (this is when we went to all distance learning) and an end date of 6/5/2020 for a total of 46 days.

The Skills section will not be completed since it reflects mostly in-person classroom habits and social skills.

Comments have been updated, and will still be entered under the Skills section.
